Today, the Cole Quinnell car is owned by Tony Angelo. Angelo has restored the car to its original condition, and he regularly races it at vintage drag racing events.

## The History of the Cole Quinnell Chevelle

Cole Quinnell began his drag racing career in the early 1960s. He quickly became one of the top drag racers in the country, and he won numerous races in his various Chevelles.

In 1964, Quinnell built his most famous Chevelle, a 1964 Chevelle SS. This car was powered by a 427 cubic inch V8 engine, and it was one of the fastest Chevelles in the world. Quinnell raced this car for several years, and he set numerous records with it.

In 1972, Quinnell sold his 1964 Chevelle SS to Tony Angelo. Angelo raced the car for several years, and he also set numerous records with it.

In the early 1990s, Angelo decided to restore the car to its original condition. He spent several years and a lot of money on the restoration, and the car was finally finished in 1996.

Today, the Cole Quinnell Chevelle is one of the most famous and valuable Chevelles in the world. It is a true piece of drag racing history, and it is a testament to the skill of Cole Quinnell.
