The History of Mobile Book Berlin Lance Winslow

Mobile Book Berlin Lance Winslow was founded in 2010 by Lance Winslow, an architect and historian. Winslow was inspired to create the archive after seeing the lack of documentation on post-war architecture in Berlin. The archive has since grown to include over 2,000 items, including photographs, drawings, and documents.

The Collection

The Mobile Book Berlin Lance Winslow collection includes a wide range of materials related to post-war architecture in Berlin. The collection includes:

- Photographs of buildings, interiors, and exteriors
- Drawings of buildings, plans, and sections
- Documents such as building permits, contracts, and correspondence

The collection is organized by building type, architect, and date. The archive also includes a searchable database of all items in the collection.

The Importance of Mobile Book Berlin Lance Winslow

Mobile Book Berlin Lance Winslow is a valuable resource for architects, historians, and anyone interested in the history of Berlin. The archive provides a unique and comprehensive look at the development of post-war architecture in Berlin.

The archive has been used by scholars to research the history of Berlin, and it has been featured in exhibitions and publications around the world. The archive is also a popular resource for architects who are designing new buildings in Berlin.
