## Mission

The mission of Not On My Watch History Files is to educate the public about the history of human rights violations and genocide, and to inspire action to prevent future atrocities.

## History

Not On My Watch History Files was founded in 2009 by a group of human rights activists and educators. The organization's goal was to create a

resource that would make it easy for people to learn about the history of human rights violations and genocide.

Since its founding, Not On My Watch History Files has grown to become one of the leading resources on the subject. The database is used by students, teachers, journalists, and policymakers around the world.

## **Database**

The Not On My Watch History Files database includes over 1,000 events, from the Holocaust to the Rwandan genocide. Each event is documented with detailed information, including:

- A summary of the event
- A timeline of key events
- Eyewitness accounts
- Historical documents
- Multimedia resources

The database is searchable by event, date, location, and keyword. Users can also browse the database by topic, such as genocide, war crimes, and crimes against humanity.

## **Education**

Not On My Watch History Files provides a variety of educational resources, including:

- Lesson plans for teachers

- Online courses
- Webinars
- Conferences

These resources are designed to help students learn about the history of human rights violations and genocide, and to develop the skills they need to prevent future atrocities.

## **Action**

Not On My Watch History Files believes that education is the key to preventing future atrocities. By learning about the history of human rights violations and genocide, we can better understand the causes of these atrocities, and we can develop strategies to prevent them from happening again.

In addition to education, Not On My Watch History Files also supports a variety of action-oriented initiatives, including:

- Advocacy campaigns
- Grassroots organizing
- Support for survivors of human rights violations and genocide

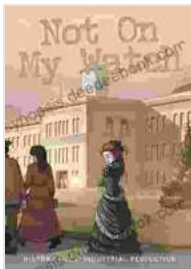

These initiatives are designed to raise awareness about human rights violations and genocide, and to mobilize people to take action to prevent future atrocities.

## **Get Involved**

There are many ways to get involved with Not On My Watch History Files.  
You can:

- Donate to support our work
- Volunteer your time
- Become a member
- Spread the word about our work

By getting involved, you can help us continue our mission of educating the public about the history of human rights violations and genocide, and inspiring action to prevent future atrocities.
