The Navy Torture Escape Room is a terrifying and immersive experience that will test your limits. This escape room is based on the real-life story of the navvies, who were the laborers who built the canals and railways in the 19th century. The navvies were often subjected to brutal treatment, and the escape room recreates the conditions that they lived and worked in.

The escape room is located in a former Victorian workhouse, and it has been designed to be as authentic as possible. The rooms are dark and dingy, and the air is thick with the smell of sweat and blood. The puzzles are challenging, and the scares are plentiful. You will be constantly on edge, wondering what is going to happen next.

The Navy Torture Escape Room is not for the faint of heart. It is a truly terrifying experience that will stay with you long after you leave. However, if

you are looking for an immersive and challenging escape room, then this is the perfect place for you.

The History of the Navvies

The navvies were the laborers who built the canals and railways in the 19th century. They were often Irish immigrants, and they were paid very little for their work. The navvies lived in squalid conditions, and they were often subjected to brutal treatment. They were beaten, whipped, and even killed.
