The Early Years

The Seymour family can trace their ancestry back to the de Sancto Mauro family, who came to England with William the Conqueror in 1066. The de

Sancto Mauros were granted lands in Somerset, and they soon became one of the most powerful families in the region. In the 12th century, the family adopted the surname Seymour, which is derived from the French phrase "Saint-Maur." The first recorded use of the Seymour name is in a document from 1175.

The Seymours were staunch supporters of the Plantagenet kings, and they played a significant role in the Wars of the Roses. In the 15th century, Sir John Seymour was created Baron Seymour of Hache. His son, Thomas Seymour, was created Earl of Hertford in 1539. The Seymours reached the height of their power in the 16th century, when Jane Seymour became the third wife of Henry VIII. Jane Seymour was the mother of Edward VI, who succeeded to the throne in 1547.

The Seymour Queens

Jane Seymour was not the only Seymour woman to marry into the English royal family. In the 17th century, Catherine Seymour married Charles I. Catherine Seymour was a devoted wife and mother, and she played an active role in her husband's reign. She was also a patron of the arts, and she commissioned many works of art from leading artists of the day.
