## Choosing the Right Yarn and Hook

The first step in crocheting dishcloths is choosing the right yarn and hook. For dishcloths, you'll want to use a cotton yarn that is absorbent and durable. Some good choices include Sugar 'n Cream, Peaches & Creme, and Lily Sugar 'n Cream.

The size of the hook you use will depend on the weight of the yarn you choose. For worsted weight yarn, a size H (5.00mm) hook is a good choice.

For lighter weight yarn, you can use a smaller hook, such as a size G (4.00mm) or F (3.75mm). For heavier weight yarn, you can use a larger hook, such as a size I (5.50mm) or J (6.00mm).

## **Basic Crochet Stitches**

Once you have chosen your yarn and hook, it's time to learn the basic crochet stitches. The most common stitches used in crocheting dishcloths are the single crochet (sc) and the double crochet (dc). Here are the step-by-step instructions for each stitch:

### **Single Crochet (sc)**

1. Insert your hook into the next stitch on the row. 2. Yarn over (yo) the hook. 3. Pull the yarn through the stitch. 4. Yo the hook again. 5. Pull the yarn through both loops on the hook.

### **Double Crochet (dc)**

1. Yo the hook twice. 2. Insert your hook into the next stitch on the row. 3. Yo the hook and pull up a loop. 4. Yo the hook and pull through two loops on the hook. 5. Yo the hook and pull through two more loops on the hook.
