The author, Jim Meyer, is a self-described "recovering journalist" who decided to embark on a cross-country road trip with his pet rabbit after losing his job. With Roadkill riding shotgun, they set out to explore the hidden corners of Americana and meet the quirky characters who call this vast country home.

Along the way, they encounter a cast of unforgettable characters, including a talking dog, a group of singing nuns, and a man who claims to have invented the hula hoop. They also witness the beauty of the American landscape, from the rolling hills of the Midwest to the rugged mountains of the West.

But *Travels With Roadkill Rabbit* is more than just a travelogue. It is also a meditation on the human condition and the importance of finding joy in the unexpected. As Meyer and Roadkill travel from town to town, they learn about the challenges and triumphs of everyday Americans. They also learn about the importance of friendship and the power of laughter.

Travels With Roadkill Rabbit is a book that will stay with you long after you finish reading it. It is a funny, heartwarming, and ultimately inspiring story about the power of human connection and the importance of finding joy in the unexpected.
