In her debut memoir, *Unwifeable*, Mandy Stadtmiller tells the story of her marriage, divorce, and the journey of self-discovery that followed.

Stadtmiller writes with honesty and humor about the challenges she faced, the lessons she learned, and the strength she found within herself.

Unwifeable is a must-read for anyone who has ever struggled with love, loss, or finding their place in the world.

Stadtmiller begins her story by describing her childhood and her early dreams of marriage and motherhood. She met her husband, Matt, in college, and they married after a whirlwind romance. But after a few years of marriage, Stadtmiller began to feel like something was missing. She felt

like she was losing herself in the relationship and that she was no longer the person she used to be.

Stadtmiller tried to make her marriage work, but it eventually became clear that it was not meant to be. She filed for divorce and was devastated. But as she began to pick up the pieces of her life, she realized that she was finally free to be herself. She began to explore her own interests and passions, and she started to discover who she really was.

Unwifeable is a story of love, loss, and finding yourself. It is a story about the pain of divorce, but it is also a story about the hope and possibility that can come from starting over. Stadtmiller's writing is honest and relatable, and her story is sure to resonate with anyone who has ever struggled with love or loss.

Praise for Unwifeable:

"This book is a must-read for anyone who has ever struggled with love, loss, or finding their place in the world." - **Jenna Bush Hager**

"Stadtmiller's memoir is a powerful and inspiring story of resilience and self-discovery. She writes with honesty and humor about the challenges she faced, and the lessons she learned along the way." - **Kristin Hannah**

"Unwifeable is a beautifully written and deeply moving memoir. Stadtmiller's story is a reminder that even in the darkest of times, there is always hope."
- **Jodi Picoult**
