Episode 1: The Rise of Hip-Hop

In the heart of the Bronx, a revolution was brewing. In the early 1970s, a group of young DJs and MCs began experimenting with a new sound that would forever change the face of music: hip-hop. "What The Story" traces the origins of hip-hop, from its humble beginnings in block parties to its global dominance.

The episode features exclusive interviews with pioneers like Afrika Bambaataa, Grandmaster Flash, and Chuck D, who share their firsthand accounts of the movement's early days. They discuss the social and political factors that fueled hip-hop's rise, as well as the challenges and triumphs they faced as they pushed the boundaries of music and culture.

Episode 2: The Birth of Rock and Roll

In the post-World War II era, a new wave of music emerged that would ignite the imaginations of a generation: rock and roll. "What The Story" explores the origins of rock and roll, from its roots in blues and rhythm and blues to its explosion into mainstream popularity.

The episode features interviews with legendary artists like Chuck Berry, Little Richard, and Jerry Lee Lewis, who recall the excitement and energy of the early rock and roll scene. They discuss the influences that shaped their music, the struggles they faced in breaking into the industry, and the impact they had on popular culture.

Episode 3: The Folk Revival

In the 1950s and 1960s, a resurgence of interest in folk music swept across the United States. "What The Story" examines the folk revival movement, from its roots in traditional ballads to its influence on the emerging counterculture.

The episode features interviews with folk icons like Bob Dylan, Joan Baez, and Pete Seeger, who share their experiences of performing at coffeehouses and civil rights rallies. They discuss the power of folk music to inspire social change, as well as the challenges they faced in balancing their artistic integrity with the demands of the music industry.

Episode 4: The British Invasion

In the early 1960s, a wave of British bands crossed the Atlantic and conquered the American music scene. "What The Story" explores the British Invasion, from its origins in the skiffle craze to its impact on popular culture.

The episode features exclusive interviews with members of The Beatles, The Rolling Stones, and The Who, who share their memories of the early days of the movement. They discuss the camaraderie and rivalry that

existed between the bands, as well as the challenges they faced in navigating the unfamiliar American music industry.

Episode 5: The Rise of Electronic Music

In the late 1970s and early 1980s, a new wave of music emerged that would revolutionize the way we dance and listen: electronic music. "What The Story" traces the evolution of electronic music, from its roots in disco and techno to its dominance of modern popular culture.

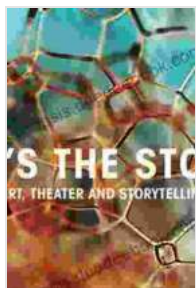

The episode features interviews with pioneers like Kraftwerk, Depeche Mode, and Daft Punk, who share their insights into the creative process

and technological innovations that have shaped electronic music. They discuss the challenges of breaking into the mainstream, as well as the impact their music has had on the global dance scene.

"What The Story" is an essential listen for anyone who loves music and wants to learn more about the stories behind the artists who have shaped it. Through exclusive interviews, in-depth analysis, and rare insights, the series offers a unique glimpse into the hidden gems of the music industry.
